

ILC Notes from Meeting 22 May 2018

Present: Ruth Hirsch (for first 20 minutes), Sergio Lara, Roberto Larios, Hejo Feuerstein, Catherine Torpey

Guests present for first 20 minutes: Iris Gilboa, Brian Korzec

We introduced ourselves to two new Coordinators, Brian Korzec of the USA and Iris Gilboa of Israel, and they introduced themselves to us. This is in keeping with a new policy of inviting new Coordinators to visit the Board and the ILC.

We reviewed the latest version of the document about how to address concerns that people bring to the Institute about individuals. A number of edits were made. The main question addressed was clarifying what category of persons are covered under this procedure (for instance, all members, only those certified by the Institute, or only those who have reached the level of Coordinator in Training). Other incidental edits were also made.
