Dear Rob and all,

Clear eyes are not lost! That generative conversation thread is going on in a beautiful way. We had 15 messages in it and 7 people talking in respect and appreciation for each other and for those who are not involved in that specific thread because they walk their own path with grace. We have also some people reading (108 views for that subject) and new members in the Forum (103 members and 7 new members since a week).

I would like to add today an informational point about reading stats on our subject. If you come to the message number 3 you could see that there was 7 downloads for the PDF file Who I am. If you come to the message number 5 you could see that there was 10 downloads for the PDF file Exploring the Forum (1). For the PDF files Exploring the Forum (2) (message number 9) and (3) (message number 13) there was no downloads. All these were seen at 11:10 on 2014-02-07. So, if you go there now may be you could see an update.

Warmly,

Solange

Here is my first essay to introduce an image in a message.

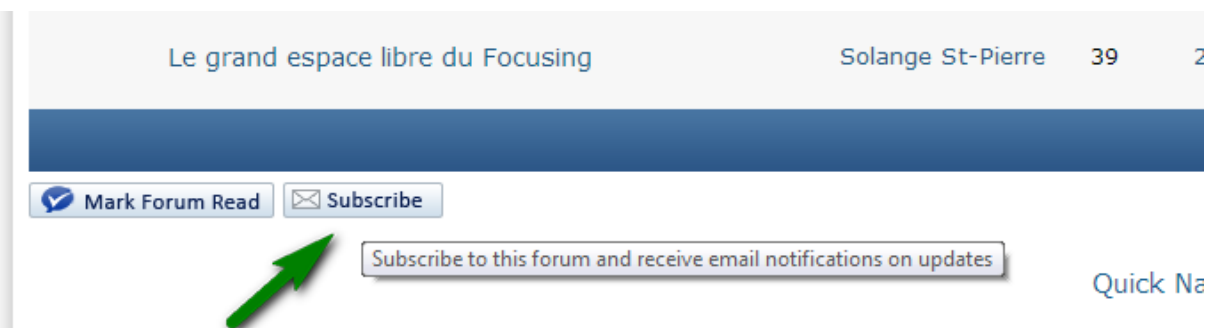

I feel that this image is truly representing my felt sense of the conflict who is still present Inside the Institute at this moment around the presence or absence of certain people at the head of the Institute.

You can embed videos:

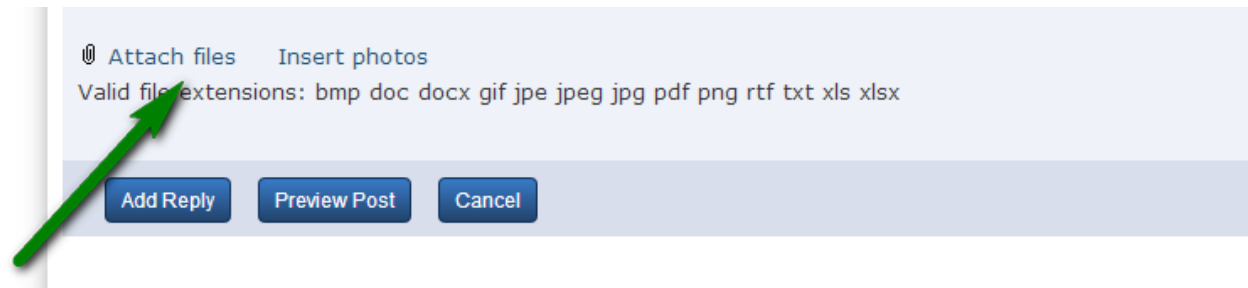

The screenshot shows a forum post interface. At the top, there is a search bar labeled "Search This Topic" and a "Reply" button. Below this is a header with "Author" and "Comment" tabs. The post is by "Solange St-Pierre", posted on "02/12", and is the "#1" post. To the left of the video is a profile picture and user statistics: "Registered: 08/17/13" and "Posts: 26". The video player is titled "Resolving Conflict Through Restorative Justice" and shows a man speaking. Below the video are navigation links for "Previous Topic" and "Next Topic", a "Subscribe" button with a star rating, and another "Reply" button. At the bottom right, there is a "Quick Navigation" dropdown menu set to "Select a Forum".
