

# Getting to Joshua Tree Retreat Center

JTRC is located approximately 45 minutes from Palm Springs International Airport, approximately 2 hours from Ontario Airport, and 2 1/2 hours from Los Angeles International Airport and John Wayne International Airport. We are in the high desert at 3000 feet with wonderfully cool mornings and evenings even during the warmest of seasons. We have the Joshua Tree National Park only 6 miles away, and aside from our own hiking trails, we have a unique and beautiful marshland with additional hiking just minutes away.
